

WAFFLES

Original Waffle: A sweet treat that is great plain or with fruit, spread, shaker or whipped cream.

Traditional Waffle: Lighter, crispier; not as sweet as our Original Waffle (special recipe without nib sugar). The Traditional Waffle is best served with syrup and butter, just like Grandma makes them!

The Traditional Waffle as a bread choice for a sandwich is an All-Star move!

1/2 Sugar Whole Wheat Waffle: this fantastic Waffle is 290 Calories with 1/2 the Nib Sugar of our Original Waffle, Great topped with any of our Toppings. (+.25)

Gluten-Free Waffle: Made with a unique blend of Gluten Free flours and less Nib Sugar than the Original Waffle. Remember to try our Gluten Free Bread and Bagel, for your sandwich choice or Breakfast Sandwich! A Tasty Treat! (+.50)

Cranapple Muffin Waffle (Gluten-Free, Dairy-Free and Soy-Free made with Coconut Milk): We have taken great care and pleasure in developing this Waffle. We have combined diced Granny Smith apples and Cranberries to make this Waffle a one of a kind. Enjoy!!!!!! (+.25)
